REMARKS

The Office Action of February 8, 1996 has been fully considered by the Applicant. As a result, the present application has been slightly amended in order to correct a couple of typographical errors which inadvertently occurred in the specification. In addition, a Terminal Disclaimer is attached hereto in order to alleviate any concerns regarding double patenting. In view of the above amendments, the attached Terminal Disclaimer, and the following comments, reconsideration of the application is respectfully requested.

The Office Action

The Examiner rejected claims 1-6 as being obvious and unpatentable over Nesbitt (the '193 patent of Spalding, the present assignee) in view of Nakamura (U.S. Patent No. 5,068,151). Moreover, the Examiner provisionally rejected claims 1-6 under the judicially created doctrine of obviousness-type double patenting in view of claims 1-8 of copending application Serial No. 08/542,793. Specifically, the Examiner stated:
